Dear Mr. Prickett:

The Hobbs district office will be checking the location of your State 26 Well No. 1 next week, and if it is properly cleaned up, your final plugging report can be approved.

Concerning the Fair Well No. 1, the terms of Order No. R-5807 will be satisfied if the well is put back on production. However, new bond coverage must be obtained on the forms enclosed. Also, all weeds should be cut to remove the fire hazard that currently exists.

Very truly yours,

(Ms.) LYNN TESCHENDORF
General Counsel
