Gentlemen:

Inspection of the Cortez Corporation State 26 Well No. 1 located in Section 26, T-13-S, R-33-E, Lea County, New Mexico, showed that the location has not been cleaned up, although the well has been plugged and abandoned for some 2 years. A final plugging and abandonment report should be made on Commission Form C-103.

An inspection of the location will be made around the 1st of September. If you cannot have the well and battery location cleaned up by that time, please let us know.

Attached is a copy of the field inspection report made out by the lease inspector.

Yours very truly,

OIL CONSERVATION COMMISSION
