Gentlemen:

As you know, all seven wells on your Atlantic State Account 4 Lease located in Section 27, T-14-S, R-33-E have been shut in and non-productive for some time. Since it appears that you do not intend to operate these wells, it would appear to be in order for you to plug and abandon the wells.

We are therefore setting this matter for hearing on May 19, 1971. This hearing will be held in Santa Fe, New Mexico at the State Land Office Building, Oil Commission Conference Rocm, and the hearing will commence at 9 a.m. This will be a show cause type hearing to permit you to show cause why the wells should not be plugged and abandoned.

By copy of this letter we are notifying your bonding company of this action.

Yours very truly,

OIL CONSERVATION COMMISSION
