

4/23/55

Caroline Hunt Trust.

State 256 Well #1

C 18-12-34

talked w/ Barton Sept. @ Midland

Well plugged temp - will move on pipe
pulling machine later and advise us on C-102
Operator is to submit:

C-103 : Report of setting $13\frac{3}{8}$ " surface csg

C-103 : ✓ ✓ ✓ $9\frac{5}{8}$ " intermediate

We can approve all forms now at this office
upon receipt of above —

Insert notation (type) on the C-103 Report of
Plugging — "Well plugged temporarily
awaiting the salvage of the $9\frac{5}{8}$ " intermediate
string — the Commission will be advised
when plugging operations are to resume
and the manner in which they are to
be completed"

C-105 will be submitted with the
report of final plugging
