Gentlemen:

On September 5, 1959 a survey was made to locate your No. 2 location on the State "AZ" lease at a point 1980 feet from the East line and 660 feet from the North line of Section 34, Township 12 South, Range 34 East, N.M.P.M., Lea County, New Mexico.

A flag was set at the Quarter stone marker common to Sections 26 and 35, and the Transit was set up at the Section Stone marker common to Sections 26, 27, 34 and 35. Thence chaining West from Transit a distance of 1980 feet to a point on the North line of Section 34, thence South 660 feet to the location site of the State "AZ" No. 2. As a check on our survey we chained East from location site 1980 feet and thence North 660 feet to the point of beginning of our survey, checking in within the allowable error for this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
