Re: Forms on Brady Lowe B-1
35-12-37

Gentlemen:

We have received Form C-102 stating your intention to pull casing and plug and abandon your Brady Lowe B-1. The information on this form is incomplete, and we suggest that you file a new Form C-102 on this well, stating the location of all plugs, and stating that you intend to place a surface plug with a 4" x 4' pipe at surface as regulation marker.

Prompt attention for approval will be given your corrected forms. We enclose revised forms for your convenience.

Yours very truly,

OIL CONSERVATION COMMISSION

Re: Form on New York I-1
35-12-77

Dear Sirs:
F. J. New York
Washington, D.C.

Dear Sirs:

We have received your letter of January 14, 1954, regarding your interest in the New York I-1. The information in this letter is complete, and we suggest that you file a new I-1 with the Bureau of Land Management, Department of the Interior, Washington, D.C. The location of the pipe, as stated in your letter, is being with a 1" x 4" pipe at a distance of approximately 100 feet from the station. Please attach a map showing the location of the pipe and the station. Please attach a map showing the location of the pipe and the station. Please attach a map showing the location of the pipe and the station.

Very truly,
Sincerely,

U.S. CONSERVATION COMMISSION

J. J. Stanley
