Dear Mr. Harbison:

The New Mexico Oil Conservation Commission has requested that you confirm our agreement of May 19, 1953, wherein you agreed to fill in the pits and level the location of the well we abandoned on your property, and releasing Wilshire Oil Company, Inc. and Dixilyn Drilling Company of the responsibility of doing it, for a consideration of \$2000.00.

Enclosed is a suggested letter which you may sign or write an entirely new one. We respectfully request that you accommodate us in advising the Conservation Commission of the agreement at your earliest convenience.

Yours very truly,

A.E.C.
