Dear Sir:

In accordance with your note on Form C-102, dated November 15, 1955, authorizing temporary abandonment for our J. W. Houston "B" Well No. 1, Unit M, Section 19, T-12-S, R-38-E, Gladiola Wolfcamp Pool, the following status report is submitted.

There has been no change in the status of this well since the above date, at which time the well was temporarily abandoned by closing well head valves with surface equipment being left in place. We will advise your office if any change occurs, otherwise the well will remain in the same status as set out above.

Yours very truly,

Ralph L. Hendrickson
Field Superintendent
