Gentlemen:

With reference to our application of March 1, 1960, to dually complete our Barnes and Golden Well No. 2 in the Bronco Mississippian and Bronco Siluro Devonian Pools, Lea County, New Mexico, enclosed please find a waiver from Amerada Petroleum Corporation and a letter from Pure Gil Company stating that they no longer are the operator of the undeveloped offset lease. Our records do not reflect the new lease owner if any. Accordingly, it is requested that the 20 day protest period be waived and that our dual completion be granted.

Yours very truly,

Alton I am
