Gentlemen:

We are this date making application to the New Mexico Oil Conservation Commission for a permit to dually complete our Barnes & Golden Well #2 in the Bronco Mississippian and Bronco Siluro Devonian Fields, Lea County, New Mexico. This well is located 1650 feet from the South line and 2310 feet from the West line of Section 11-13S-38E.

In order to save the 20-day protest period it is requested that if you have no objection to the above described dual completion that you execute 3 copies of this letter and return to the undersigned, or if you prefer, furnish us with 3 copies of your own waiver. Please advise if we can furnish any additional information concerning this request.

Yours very truly,

J. Mafford
