Gentlemen:

Enclosed please find Sinclair Oil & Gas Company's "Application for Dual Completion" for their Barnes & Golden Well #2 in the Bronco Mississippian and Bronco Siluro Devonian Fields, Lea County, New Mexico. This well is located 1650 feet from the South line and 2310 feet from the West line of Section 11-13S-38E.

Also enclosed please find a diagrammatic sketch of the dual completion, a plat showing the location of all wells, a marked electrical log and a copy of our request for a waiver from all offset operators listed in Item 5 of the application. The requested waivers will be filed upon their receipt in an effort to eliminate the 20-day protest period. Please advise if we can furnish any additional information concerning this matter.

Yours very truly,

  
J. Mefford
