Section 32, T-13-S, R-34-E
LEA COUNTY, NEW MEXICO

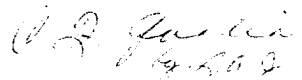

Gentlemen:

Midwest Oil Corporation requests that the allowable for the lower Pennsylvanian Zone of the above well be canceled pending the outcome of a dual completion hearing. Also, remedial work will be required on this zone due to the excessive production of water.

Forms C-104 and C-110 are being filed requesting that we be granted an allowable for the Upper Pennsylvanian Zone effective June 1, 1965.

If any further information is needed, please advise.

Yours very truly,

C. F. Qualia
District Production Supt.
