Re: Filing of radio-activity and
electrical logs

Gentlemen:

Rule 1108 of the Commission Rules and Regulations as revised by Commission Order No. R-722 requires that Form C-105 be accompanied by one copy of all electrical and radio-activity logs run. Reduced scale logs are desirable.

As of this date we have not received this information on the following wells:

St. of New Mex "CZ" #3-B 14-12-34

Yours very truly,

OIL CONSERVATION COMMISSION

If no logs were run, please make a statement to that effect in the space below. Or if they have been run, and will be supplied later, please so indicate.
