17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was drilled and completed by J. M. Huber Corporation as its New Mexico A State #1, and later junked and temporarily abandoned.

We bought this lease with this well and drilled and completed a second well (our Huber State #1) as an oil well. The A State #1 is now known as our Huber State #2

We propose to continue this well as temporarily abandoned for at least 3 months until we can determine whether to recompleate it as an oil well or a salt water disposal well or to P & A.
