RE: NEW MEXICO "DM" STATE NCT-1, #1
UNIT N, S21-T13S-R33E

Gentlemen:

An Oil Conservation Division representative made an inspection on the above referenced plugged well site in an attempt to release the location.

However, the following items need to be completed before the location can be released.

Remove flow-lines from location.

Remove anchor-marker and sign frame from location.

Please inform our office when these procedures have been completed by signing the bottom portion of this letter and return it to our address listed above, or notify Ray Smith when the location is ready for inspection at (505) 393-6161.

Yours very truly,

JERRY SEXTON
District I Supervisor
