17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Since the original location was staked, we have obtained additional seismic data that indicates the above location to be considerably higher than the one originally staked. The original location was 1980' FSL & 1980 FWL (Unit Letter K).

Attached are plats for the new location and a revised Form C-101.

This well was changed from a gas prospect to an oil prospect.
