OTHER Drilling Permit X	[]

17. Describe Froposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is herein requested that an additional 90 day extension to our permit to drill, filed 1-12-79 be granted. A 90 day extension which expires on 1-5-80 was granted but we will not be able to drill at that time. The problems which have caused our delays have, it appears, been cleared up and we expect to spud by February 1, 1980.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
