Form C-122
Supersedes C-128
Effective 1-1-85

All distances must be from the outer boundaries of the Section

Dome Petroleum Corp.		Lease Nonombre ²⁹ State TX		Well No. 1
Section J	29	13 South	34 East	Lea
Acreage Location of Well				
1980 feet from the south line and		1980 feet from the east line		
Producing Formation	Port		Estimated Acreage	
4157.4	Morrow		UNDESIGNATED 320	

- Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

☐ Yes ☐ No If answer is "yes," type of consolidation _____

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.) _____

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.
