RE: LEA AAY STATE #1, UNIT M, S16-T14S-R33E

Gentlemen:

The above well has recently been inspected by an Oil Conservation Division representative in an attempt to release the location.

However, before the location can be released, the following items need to be completed.

1. Remove 2" riser, 6' north of marker. - *SAME*
2. Remove tank battery pad on south edge of location. - *OK!*
3. Remove cable from pit area and level. - *SAME*
4. Remove all junk from location. - *OK!*

LWW*

After these procedures have been completed, please contact Jerry Sexton at 505-393-6161 or sign this letter below and return it to our address stated above.

Please assure that the above has been done before notifying the District I office, so that unnecessary inspection trips can be avoided.

Very truly yours,
