The NW/4 of section 6 is a communitized lease (communitization agreement SW 477) thus all of the wells on the lease should have a common lease name. Of the 154.1	thus all of t	the walls on the	communitized lease (	communitizatio	on agree	ment SW 4	77) ai
acres covered by the communitization agreement. 40 acres were covered by a previo	acres covered	by the commun	itization agreement	40 acres work	: name.	UI THE L	.54.8/

Federal Lease (NM 0558131) and 114.87 acres by a previous State Lease (K-6606). Coastal operates a well within the communitized area which has until now, been called the State "6" Com #2. That particular well will now be known as the State-Federal Com. "6" #2. According to an interpretation of the communitization agreement all correspondence concerning the State-Federal Com "6" #2 well should be with the State regulatory office in Hobbs, NM. All correspondence concerning the new well on this lease, the State-Federal Com "6" #3, should be with the Federal regulatory office in Carlsbad, NM. We regret any inconvenience created by this change of lease name. Should any questions arise please contact us at 915-682-7925.
