Re: Lazy Tree State Unit #1-A
Section 12, T13S, R32E

Gentlemen:

We have received Form C-105, DST, Logs, and deviation surveys for the above-referenced wells. As requested the completion data will be held confidential for 90 days.

Please advise if you have made application for approval of the unorthodox location for this Morrow gas well completion. I am sure you are aware the well cannot be produced until such time as the unorthodox location has been approved.

Very truly yours,

OIL CONSERVATION DIVISION

Thank you.
