Dear Evelyn:

Please see attached form C-104 to change well name and change of operator. Evelyn, I spoke with your office and it seems that reports submitted have shown a different footage, Township and Range. I have been assured by the Yates' land department that the footages as shown on the C-104 (attached) are correct and the Section, Township and Range are correct, also.

Yates Petroleum plans to do some completion work and attempt to produce the well.

Please advise if you concur.

Yours truly,

  
Juanita Goodlett  
Production Supervisor
