

State of New Mexico  
Oil Conservation Division  
Page Two  
Aug. 21, 1990

American Exploration was granted temporary permission to surface commingle this production on August 13, 1990 for thirty (30) days and your prompt consideration to our request would be appreciated.

If there are any further questions, please contact either Donnie Hill, Regional Production Superintendent at 505-394-2508 or the undersigned.

Very truly yours,

AMERICAN EXPLORATION COMPANY
