Mr. J. D. Hunter
State Oil & Gas Inspector
Carlsbad, New Mexico

Dear Mr. Hunter:

Enclosed is a copy of a letter from William F. Stahl & Company, General Agents, U. S. Fidelity and Guaranty Company, Tulsa, Oklahoma, and a copy of my reply.

We find that the lease in question is not on state land. The bond is not filled out completely but may be satisfactory nevertheless.

Will you please give me any information that you can concerning a well that may have drilled in the tract mentioned in the Stahl letter.

Very truly yours,

E. H. Wells
