Mr. W. J. Peterman
Exploration Engineering
Portales, New Mexico

Dear Mr. Peterman:

Thank you for your letter of March 29, 1950, regarding your well covered by bond No. SE-140007. I believe this well is your #1-A Frank & Ola Taylor well in the SE SW Sec. 22, T. 2S, R. 30E.

Upon checking this file I have found that we do not have the proper plugging reports. You will find enclosed a set of blank Form C-102 and C-103 for completing this file.

I hope that this has not caused you to have to pay the premium as we should have looked into this long ago. If I can help you in any way please advise me.

Sincerely yours,

Secretary - Hobbs Office
