Re: W. J. Peterman Wells,
Roosevelt County.

Dear Dick:

Our files reflect and upon visiting the Peterman locations that the only well that has not been properly plugged at the present time is the W. J. Peterman, Frank & Ola M. Taylor #4 Well, in the SESW Sec. 22, T. 2S, R. 30E.

The Form C-101 for this well was approved by H. M. Sweeney June 21, 1948. All other wells I believe are properly plugged and bond cancellation subject to your approval.

Enclosed is a letter I received from Mr. Peterman.

Very truly yours,

OIL CONSERVATION COMMISSION
