Re: Plugging Reports

Gentlemen:

Form C-102, Notice of Intention to Plug, for your Elida No. 1-H 10-6-32
Lease Well No. Unit S-T-R
was approved on (Verbal 12/13/65) Your final plugging report, which has been filed on
Form C-103, cannot be approved until a Commission representative has made an inspection
of the location to see:

- (1) all pits have been filled and levelled.
- (2) a steel marker 4" in diameter and approximately 4' above mean ground level must be set in concrete; it must have the quarter-quarter section or unit designation, section, township, and range numbers, which shall be permanently stenciled or welded on the marker.
- (3) the location shall be cleared and cleaned of all junk.
- (4) the dead man wires must be cut.

The above are the minimum requirements.

Please notify us by filling in the blank form below when this work has been done so that our representative will not have to make more than one trip to the location.
