

**W. J. Peterman, Geologist**

EXPLORATION ENGINEERING

**Portales, New Mexico**

February 9, 1945.

Mr. L. A. Barker,  
New Mexico Oil Conservation Commission,  
Hobbs, New Mexico.

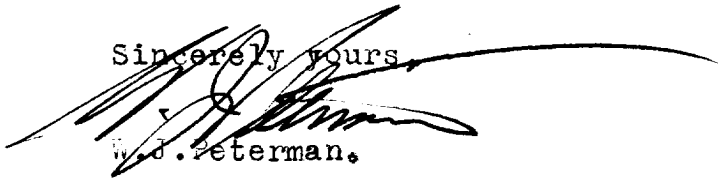

Dear Mr. Barker:

Enclosed you will find in triplicate  
Notice of Intention to Drill.

As the Bond to cover said well is now  
in the hands of the home office will you kindly, if  
possible wire me collect Monday my clearance to start  
drilling, as we shall be ready on or before that time to  
start drilling.

Thanking you for your kind attention to  
the above, I am.

Sincerely yours,

  
W. J. Peterman.

*When I say home office, I mean your  
Santa Fe, office.*
