Gentlemen:

We have received an affidavit duly sworn by R. P. Lynn, who states that the First National Bank of Brownfield, Texas, is responsible for the plugging of the Lynn-Greer M. G. Vinther #1 in Roosevelt County, New Mexico.

The file on this well is very incomplete in accordance with the Rules and Regulations of the Oil Conservation Commission, and the well has evidently been plugged without Commission permission. If you are responsible for the plugging of this well, it is our intention to take immediate steps to obtain the proper forms to complete the records on this well.

Yours very truly,

OIL CONSERVATION COMMISSION
