Dear Miss Clemens: RE: Lynn, R. P., \$5,000.00 one-well bond;  
SE NE 14-3S-30E; American Employers'; 5-24-51

As far as this office can advise, the well drilled under the captioned bond has not been plugged. We have a letter which the landowner wrote to Mr. Roy Yarbrough of our Hobbs office on December 3, 1952, indicating definitely that the well has not been plugged.

However, we suggest that you contact Mr. Yarbrough or Mr. A. L. Porter at the Commission's office in Hobbs, and talk to one of them directly about the matter. It is impossible for the Commission to cancel the bond until plugging has been accomplished.

Very truly yours,

For R. R. Spurrier  
Secretary - Director
