Mr. Roy Yarbrough, Inspector,
Oil Conservation Commission,
1000 W. Broadway,
Hobbs, New Mexico.

Dear Mr. Yarbrough;

I am enclosing herewith Form C-101, in triplicate, properly filled out as per your instructions of this A.M.

This being a 'wild-cat' well, we are unable to tell exactly the amount of pipe that will be run. The figures given are approximate. As I understand it, such changes in that regard will be made with your approval and by prior notification.

I am writing for the 'One-Well Bond Form 39-B1' to the Morgan Insurance Agency of Portales, N.M. This will be sent to Santa Fe after execution and on to you.

As I told you, the County Surveyor of Roosevelt County, N.M. will send the Plat showing location direct to you for attaching to my notice.

Thanking you for your kind cooperation, I am,

Yours very truly,

R. P. Lynn
