Attention: Mr. R. F. Montgomery, Proration Manager

Dear Sir:

Reference is made to your letter of January 2, regarding the Seefeld #1 well in 29-5-37, Roosevelt County, New Mexico. I believe you will find in your files the necessary papers filed for abandonment of the well in the manner prescribed by the Commission. The exception to normal abandonment is that the farmer has been given the well, and he intends to make a water well out of the abandoned hole. It seems, then, that our obligations toward plugging have been concluded. Any future correspondence about this well should be directed to the farmer there.

Yours very truly,

MAKIN DRILLING COMPANY
