Attention: Mr. A. L. Porter, Jr.  
Proration Manager

Gentlemen:

Reference is made to your letter of August 25 on our Seefeld No. 1, Roosevelt County, New Mexico. There has been no change of status in the well. We understand that the well was approved for temporarily abandonment on August 16, 1954. The well is mechanically closed in and no damage to formations or the surface is presently occurring. We ask that the well continue on that basis until such time as it is decided whether or not to deepen the well or permanently abandon it.

I hope that this will be satisfactory to your office.

Yours very truly,

MAKIN DRILLING COMPANY
