

W. J. Peterman, Geologist

EXPLORATION ENGINEERING

Portales, New Mexico

February 4, 1946

Mr. Roy O. Yarbrough,
c/o New Mexico Oil Conservation Commission,
Hobbs, New Mexico.

Dear Mr. Yarbrough:

On the above date I landed 1122' $4\frac{1}{2}$ " 11# pipe at 1122'. Cementing same (Halliburton) with 35 sacks. Completed cementing 8-45 A.M. Plan let same set until February 7th., and test by bailing for shut off.

As I have never received the forms for reporting proposed work, and result thereof. Will you please at your early convenience mail me the above so that I can complete proper forms for your files.

Thanking you for your early attention, and with kind regards, I am,

Sincerely yours,

W. J. Peterman.
