Mr. W. J. Peterman
Portales, New Mexico

Dear Mr. Peterman:

In reply to your letter of June 8, 1948, requesting copies of Form C-105 for completion of records on plugging of your Taylor #3 Well in Sec. 22, T. 28, R. 30E, Roosevelt County, I forwarded these forms to you sometime ago.

Enclosed please find another supply of Form C-105 and Form C-101.

I have forwarded all correspondence to our attorney in Santa Fe for his opinion on your drilling another well. I would suggest that you wait until the final plugging of your #3 Taylor has been approved by the Oil Conservation Commission before you start another well.

Very truly yours,

Oil Conservation Commission
