May 23rd, 1935.

Messrs. R. B. Gaforth
and Tol Caraway,
Box 1212,
Lubbock, Texas.

Gentlemen:

This will acknowledge receipt of form SG 101, "Notice of Intention to Drill New Well" for the Harvey T. Holliss No. 1 Well in NW $\frac{1}{4}$ of Sec. 21, T. 1 North, R. 37 East. The program outlined for this well can be approved, providing the proper bond assuring compliance with state laws, rules and regulations dealing with oil and gas is submitted to this office. The bond will not be more than \$5000.00 in amount and should be a Surety Company bond.

Inasmuch as the new Oil Conservation Commission will begin to function shortly, it is essential that this bond be approved by the Commission rather than by myself. If you will give us assurance by letter that the bond requirements will be complied with, Form SG 101 will be approved and you will be permitted to begin operations.

Very truly yours,

E. H. Wells
State Geologist

EHV/K
