SUBJECT: Change in Pool Designation  
Harris 14 Well #1-B in 14-6-33 (Roosevelt County, NM)  
Federal 14 Well #1-K in 14-6-33 (Roosevelt County, NM)

According to the provisions of Division Order R-6967, effective May 1, 1982, the Tanneyhill Pennsylvanian Gas Pool was abolished.

Your Harris 14 #1-B and your Federal 14 #1-K are currently carried as Tanneyhill Penn Gas wells. Your Harris 14 #1 has been re-evaluated and the correct producing formation has been determined to be Granite Wash instead of Penn and the well will be placed in the newly created SOUTH TANNEYHILL-GRANITE WASH GAS POOL. Your Federal 14 #1, which does produce from the Penn formation, will be placed in the SOUTH PETERSON PENNSYLVANIAN ASSOCIATED POOL.

Please amend your records to show this change in pool designation.

Very truly yours,

OIL CONSERVATION DIVISION
