Re: El Paso State #1-P Sec. 8, T6S, R34E  
Roosevelt Cty

Gentlemen:

Our records do not show that any attempt to swedge the casing out or pull the tubing was made. If you have worked on this well, please send in your daily drilling report. Also, if the well will take fluid on a vacuum, please let us know.

This information is needed before a plugging procedure can be approved.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I
