17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

The surface reclamation is complete on this well and ready for inspection. It should be noted that the surface owner has been contracted by EP Operating Company to clean the location and has elected to leave a small pit open for trash disposal. He has also accepted responsibility of any environmental hazards which may result from this.
