- RE: RELEASE OF PLUGGED WELL

The Desana Corporation, Peterson Well #1-G Sec. 18, T4S, R33E, Roosevelt County, NM, is hereby released.

Our inspection indicated the anchors were still in place and a pit was still on location. However, since the plugging bond for this operator was released 6/9/89, after a computer check showed no wells outstanding in District I, I see no need to withhold release of this well.
