Re: Federal 9 Well #1-E  
Sec 9, T6S, R34E  
SWD-296

Gentlemen:

It has come to my attention that you are filing monthly salt water disposal reports for the above-referenced well. Our file does not indicate that you have filed a sundry notice covering the conversion of this well to disposal as authorized by SWD-296. Since this is a Federal well, if you have filed the sundry notice with the BLM, please send us a copy for our records. In the event that the sundry notice has not been filed, please do so at once and send a copy to this office.

Thank you for your cooperation in keeping our files up to date.

Very truly yours,

OIL CONSERVATION DIVISION
