WORKING INTEREST OWNERS  
Federal No. 9-1 Well

Re: Sale Of Federal 9-1 Well  
South Peterson Area  
Roosevelt Co., N.M.

Gentlemen:

By letter to all working interest owners OGR Operating Co., Inc. has offered to purchase the BHP Petroleum (Americas) Inc. (Formerly Energy Reserves Group Inc.) Federal No. 9-1 well subject to OGR obtaining necessary BLM, etc. approval to use the well for SWD purposes.

OGR's offer to assume the future abandonment expense is reasonable since OGR proposes to utilize the well for its own economic gains.

BHP recommends to the other working interest owners that the 8 5/8" casinghead, the 8 5/8" casing (cemented to the surface), the 5 1/2" casing hanger, and the 5 1/2" casing be offered to OGR for the proposed \$8,000.

BHP further recommends that the joint account salvage the tubing head (everything above the 8 5/8" casinghead flange) and the tubing string for disposal as specified in the operating agreement.

The tubing is still in the well. BHP proposes to pull and lay down the tubing, the tubing head, tubing hanger, valves, etc. This material will be offered for bid. Any working interest owner, including OGR, may bid on the material if he so desires.

Please indicate below your position regarding the above.

Yours very truly

BHP Petroleum, Inc.
