Dear Evelyn:

A lady phoned from your office on April 1st, 1993 - - asking to be advised date Stoltenberg #1 started producing.

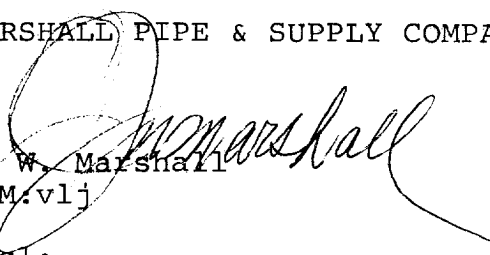

We started producing the Stoltenberg on April 1st, 1993 - however, well has not produced full 24 hours since starting - as it has been necessary to shut down and adjust the equipment.

We enclose copy of production page showing production, and number of hours produced each day.

Trusting this is the information your office desires, we are,

Very truly yours,
