

OTIS ENGINEERING CORPORATION

OEC-217-E

The diagram shows a vertical structure with several sections. At the bottom, there is a section crossed out with a large 'X'. Above this are five numbered sections, each with an arrow pointing to it from the right:

- 2.)
- 3.)
- 4.)
- 5.)
- 6.)

Section 6 is the topmost section and is the largest. Section 5 is a small rectangular section with a wavy top. Section 4 is a rectangular section with a wavy top. Section 3 is a rectangular section with a wavy top. Section 2 is a rectangular section with a wavy top.
