Morrison #1 Well - Notice of Incidents of Noncompliance

Gentlemen:

I am writing to provide the information you requested in the referenced letter. Below is a list of the pertinent information:

- 1) Our sales and delivery meter into ENRON's Transwestern Pipeline is located in the SW/4, SW/4 of Section 31, Township 3 South, Range 30 East, Roosevelt County, New Mexico.
- 2) The sales meter is calibrated semi-annually, or more often as needed, in order to accurately measure the gas volumes.
- 3) Industry standard procedures are used to allocate the metered sales volumes to the wells based on individual well meters. The check meter is not used in the allocation calculations.
- 4) Our name as purchaser is Dominion Gas Ventures, Inc.

If you have any questions or if any additional information is needed regarding these matters, please do not hesitate to call me at (214) 630-0088.

Very truly yours,

DOMINION GAS VENTURES, INC.
