Re: State Land 76 #1 & 2
abandonment

Gentlemen:

A check of the files on your State Land 76 wells shows that you filed Form C-103 on these wells on January 24, 1955 stating your intentions of temporarily abandoning these wells until some future time. We shall appreciate it if you will give us a letter in duplicate explaining the status of these wells, and advising us of your intentions, if you are still uncertain as to what you will do with these two plugged wells.

Yours very truly,
