Hobbs, New Mexico

Re: State Land 76 No. 2-I
Sec. 2, T-16-S, R-32-E

Gentlemen:

The above well was checked by Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, on November 25, 1957. Apparently there has been no change in status of the well since Form C-103 dated January 24, 1955 was filed showing it to be temporarily abandoned.

We would like to remind you that on temporarily abandoned wells it is necessary to file Form C-103 every six months showing the status of the well. Please file this form at your earliest convenience.

Yours very truly,

OIL CONSERVATION COMMISSION

R. F. Montgomery
Proration Manager
