(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

The Wisser Oil Company requests that the subject well status be maintained. The Wisser Oil Company is currently redeveloping the Maljamar Grayburg Unit. This redevelopment involves the drilling of 20 acre infill producing wells and the utilization of existing well bores for injection. This plan will result in 40 acre 5-spot waterflood patterns. It is anticipated that this redevelopment plan will be completed in 1996/1997.

TA APPROVED FOR 12 MONTH PERIOD
ENDING 11/30/96

14. I hereby certify that the foregoing is true and correct
