17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Because of lack of lease gas and the high cost of purchased gas, this injection well has proven unprofitable to operate at this time.

We request this well be temporarily abandoned. In the future, a complete reservoir study will be made on this unit for possible remedial work and/or water injection pattern change.
