17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Approval was obtained November 29, 1966, to convert a producing well (Section 13, Well No. 14) to an injection well, Administration Order WFX-244. The work was completed January 23, 1967. A packer was set on 2" tubing inside 5½" casing at 3922'. Water is being injected into the zone through perforations 3989-4330'.

This completion makes the entire Malmar Unit within the project area.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
